

## Write up on National Level ANATOMY CME in RRMCH

The National Level CME was organized by Department of Anatomy of Rajarajeswari Medical College on the theme “Exploring Neural Tube Development, Intricacies of Neural Tube defects & repair”. On this occasion various competitions were arranged for MBBS & BDS students, 4 students of 1<sup>st</sup> Year MBBS Phase-1, participated from Sri Chamundeshwari Medical College Hospital & Research Institute, Channaptna.

In Art competition- “Splendid Vibes”- Miss. Shambhavi Saxena drew a painting on ‘Posterior ‘triangle of Neck’.

In Music Competition- “NOVA- Sing to embrace the beginning” -Song composed and sung about the development of embryo in 1<sup>st</sup> 3 weeks of development. The team who represented our college consists of 3 students:

- 1- Mr. Bhargav B Patel
- 2- Miss. Avani Bhat
- 3- Miss. Disha M

They have bagged the 1<sup>st</sup> Prize in the competition worth Rs.10,000/-, It was a proud moment for the college to see the students bagging the 1<sup>st</sup> place among many of the entries from other colleges,

The students were pleased to donate 1/3<sup>rd</sup> of their prize money (Rs,3000/-) to the first 3 girl children born in Rajarajeswari Hospital after March 8<sup>th</sup>,2024- a noble deed on occasion of Women’s day.
