

DIGITAL HANDS ON TRAINING WORKSHOP FOR 1st MBBS **“BASICS OF RESEARCH”**

Digital hands on training workshop “Basics of Research” for 1st MBBS students was organized by Department of Physiology on 23rd May 2024 (11am to 4pm). The programme began on this day at about 11:15 am with the invocation song by Ms. Avani 1st year MBBS Student. It was followed by welcome address by Dr. Puneeth, Prof. Dept. of Physiology. This was followed by digital lamp lighting by guest Speaker Miss. Suma Bhaskar along with Principal Dr. Pravin.G.U , Medical Superintendent Dr. Roshan kumar & Dr. Yogesh (HOD, Dept. of Physiology). This was followed by unveiling the “Plant of knowledge”, which symbolically indicated the beginning of the journey in research by 1st year MBBS students of our institution.

Introduction of guest speaker was done by Dr. Sudarshan, Prof. of Physiology, followed by felicitation of the guest speaker by the above mentioned dignitaries along with staff of Dept. of Physiology SCMCH&RI.

Guest speaker Ms.Suma Bhaskar delivered her talk on “Basics of Research” . Students were thought the importance of research, how to plan basic research work, they were exposed to different types of research & it’s study design. It was followed by talk from Dr. Yogesh (HOD, Dept. of Physiology) on how to search for journals in from authentic databases like PUBMED.

Vote of thanks was delivered by Dr. Swaroop Asst. Prof. dept. of Physiology which was followed by playing of National Anthem.

After the Lunch session, students were divided into groups of 30 each and they were sent to digital library and were allowed to explore the various databases & searched an article on topic which they were interested.
