

Doctor's Day at SCMCH&RI

As National Doctors' Day approaches, the excitement is palpable at Sri Chamundeshwari Medical College Hospital & Research Institute (SCMCH&RI). Celebrated annually on July 1st to honour the legacy of Dr. Bidhan Chandra Roy, who was born and passed away on this date, this year's festivities are set to take place on July 6, 2024, at the ACS Auditorium.

In preparation for this prestigious event, Principal Dr. Pravin G. U. convened a meeting with the Cultural and Sports Committees to orchestrate a week-long series of engaging activities. The Cultural Committee has planned a range of competitions, including Antakshari, Dumb Charades, and Memory Games, while the Sports Committee will host Chess, Carom, and Volleyball tournaments. The enthusiasm among participants has been incredible, with doctors from various departments eagerly signing up to showcase their skills and compete for top honors. Three prizes will be awarded for each event, recognizing the top performers and celebrating their achievements.

To ensure a memorable and well-organized celebration, the management has prepared e-banners, printed invitation cards, and certificates for the winners. In a special tribute, Late Dr. Kempachari, former Head of the Anaesthesiology Department, will be honoured posthumously, with Dr. Jayashree, Assistant Pathologist at Adi-Chunchungiri Institute of Medical Sciences, receiving the felicitation on his behalf. Additionally, Dr. Gopinath, the esteemed Head of the Orthopaedics Department, will be celebrated for his significant contributions to the field.

Dr. Suresh Shastri, Director of Medical Management at Suvarna Arogya Suraksha Trust, Government of Karnataka, will grace the occasion as the chief guest. His presence is eagerly anticipated, and invitations have been sent to ensure his participation.

The event will be a feast for the senses, with the auditorium beautifully decorated with flowers, a finely tuned sound system, and a vibrant, festival-like atmosphere. Doctors across the institution are rehearsing diligently, preparing captivating performances in songs, dances, skits, and a dazzling fashion show.

With all these exciting preparations in place, the campus is abuzz with anticipation for this year's National Doctors' Day celebration. It promises to be an extraordinary event, full of camaraderie, celebration, and recognition of the hard work and dedication of the medical professionals at SCMCH&RI.

We look forward to a fantastic day of festivities and are thrilled to celebrate Doctors' Day for the second consecutive year at our institution!
